3. Concerning Fall GRAMM, Subject had a meeting in East Berlin on 26 November 1960. NOVOTNY picked Subject up in front of the Adria and took him to the Cafe Budapest or Cafe Warsaw, @KUTZBACH was not sure which. @EICHMANN (ANTOS) was also present and when Subject asked about his sister Gottlarowa, who was supposed to have been present at the meeting, ANTOS disappeared briefly and returned with her. Subject told his sister that he was aware that KLOSE had visited Czechoslovakia for two weeks and stayed with Gottlarowa. Gottlarowa was amazed that Subject was aware of this but confirmed KLOSE's visit. Gottlarowa appeared rather eager to emigrate from Czechoslovakia to West Germany and UPHILL suspects that the CIS is anxious to infiltrate her into the FedRep. The next meeting was scheduled for 6 or 7 January 1961 in Zurich (@KUTZBACH was not certain which date), and Subject was to receive his money and receive new EEI's from the individual he was to meet. He was also to pass over his reports to the man in Zurich. The Zurich meeting was to take place in either a hotel or the railroad station and @KUTZBACH on this point was purposely vague. The agent was to receive 700 DMW at the meeting. Discussion followed as to whether or not UPHILL would attempt to photograph the hostile agent meeting Subject and @KUTZBACH commented he had decided that for this meeting he would only use counter surveillance. Strangely enough the meeting after the 6/7 January, which if it follows previous practices will take place on 18 February, was scheduled for East Berlin again. This obviously is completely illogical since the agent had insisted that it was not safe to travel to East Berlin.
